Work Experience

Testlio Freelance Software Tester	07/2026 – Present Remote
• Performed manual payment and accessibility testing • Created reproducible bug reports with screenshots and test results	
Demag Cranes & Components GmbH Working Student – Embedded Solutions Development (Software Testing)	09/2023 – 06/2025 Wetter an der Ruhr, Germany
• Designed and executed test cases for embedded hardware and software • Automated test cases using Robot Framework and Python • Documented tests in Jira and Zephyr; managed version control with Git • Performed hardware validation, oscilloscope measurements and soldering	

Projects

ShopMate QA Project Manual Testing · Playwright · TypeScript · Page Object Model	2026 GitHub
• Manually tested an e-commerce demo application • Created requirements, test cases and bug reports • Automated E2E tests using Playwright, TypeScript and Page Object Model • Tested login, search, cart, checkout and responsive UI	
ShopSphere Test Automation Framework Java · Selenium · TestNG · REST Assured · Jenkins	2026 GitHub
• Built a Java test framework with Selenium WebDriver, TestNG and Maven • Structured the framework using the Page Object Model • Automated 35 UI, API and database tests • Implemented API and database tests with REST Assured, JDBC and H2 • Created a Jenkins pipeline with test reports and failure screenshots	

Technical Skills

Test Automation

Playwright, Selenium WebDriver, Robot Framework, TestNG and Page Object Model

Software Testing

Manual, functional, regression, end-to-end, API and accessibility testing

Programming Languages

TypeScript, Java, Python and C/C++

Tools / CI/CD

Jira, Zephyr, Postman, Jenkins, Git and GitHub

Education

University of Duisburg-Essen M.Sc. Embedded Systems Master's thesis: Comparison of Different UI Testing Approaches	10/2023 – Expected 12/2026 Duisburg, Germany
Egyptian Russian University B.Sc. Mechatronics and Robotics Final grade: 3.14/4.00 (78.5%) Bachelor's thesis: Development of a CNC Laser Cutting Machine	09/2013 – 07/2018 Cairo, Egypt

Certifications

ISTQB Certified Tester – Testing with Generative AI (CT-GenAI)	03/2026
ISTQB Certified Tester – Foundation Level (CTFL)	03/2024

[View ATSQA certification profile](#)

Technical Internships

Ford (Auto Jameel) Mechatronics Intern • Diagnosed technical vehicle faults and supported troubleshooting • Assembled vehicle components and performed maintenance work	08/2018 – 09/2018 Obour, Egypt
Chain Group Company Mechatronics Intern • Operated and controlled pump systems using PLCs; basic CNC operation • Worked with hydraulic and pneumatic control systems	08/2017 – 09/2017 Cairo, Egypt
Banha Electronic Industries Company Mechanical Engineering Intern • Gained experience with modern pump and actuator technologies • Worked with different valve types and their applications	08/2016 – 09/2016 Banha, Egypt

Languages

Arabic	Native speaker
German	C1 – Professional proficiency
English	B2 – Very good written and spoken skills

Military Service

Egyptian Armed Forces Completed Military Service	10/2018 – 07/2021 Egypt
